For Immediate Release

**EXECUTIVE REORGANIZATION AT SAMUEL MANU-TECH INC.
NEW PRESIDENT ANNOUNCED**

MISSISSAUGA, Ontario - Elizabeth Samuel, Chairman, and the Board of Directors of Samuel Manu-Tech Inc. (SMT-TSX) are pleased to announce an important executive reorganization. Effective January 1, 2006, Mr. John Morton will assume the position of President and Chief Operating Officer of the organization. Mr. Mark C. Samuel, current President and CEO, will remain as CEO, and will continue to serve as Vice Chair of Samuel Manu-Tech Inc. Mr. Samuel has been President of SMT since 1994 and was named CEO in 2000. The reorganization positions the Company for enhanced growth and continued prosperity.

“This is an exciting time in our history,” stated Mark Samuel. “In addition to a strong balance sheet, I believe that our people, products and performance set us apart in the manufacturing sector. This reorganization will allow us to put an even greater focus on realizing our full potential.” Under Mr. Samuel’s leadership sales for the company have increased by 246% and net income has increased by 357%. 2004 was the most successful year in the Company’s history.

Mr. Morton has worked in the Strapping and Packaging industry for 33 years and has successfully run operations in Canada, USA and Europe. He joined the Samuel organization in 1996 as Executive Vice-President for the Samuel Strapping Systems Group and was promoted to President of the Group in 2001. John resides in Unionville, Ontario with his wife, Diane. They have three grown daughters.

“John has distinguished himself as President of our largest operating segment,” said Mark Samuel. “I have every confidence that John has the right combination of experience, energy and vision to lead our operations to even greater success.” Mr. Morton added, “I am honored to have this opportunity to lead such a dynamic company and I very much look forward to working with Mark, our experienced, dedicated senior management team and our excellent employees. We have a promising future to pursue together.”

The second major announcement is the promotion of Mr. Keith Preston to President, Samuel Strapping Systems Group, effective January 1, 2006. “Keith has been a valuable member of my senior executive team at Strapping for many years,” stated Mr. Morton. “He has been involved in all aspects of our business and is well suited to his exciting new role within the organization.”

Prior to joining Samuel Strapping in May 1997, Mr. Preston held various positions in Finance, Business Development and Senior Management. His most recent title at SMT was Group Vice-President Finance at the Samuel Strapping Systems Group. In addition to his senior finance duties, he also directed the strategic planning and acquisition program of the Strapping Group. Keith resides in Mississauga with his wife, Joan. They have three children.

Samuel Manu-Tech Inc. produces and distributes a wide range of steel, plastic and related industrial products and services from locations in Canada and the United States. This year the Company celebrates its 20th year as a public company listed on the TSX.
